## **Raj Petro unveils speciality lubricant**

*Chennai, Dec. 18*

**T**he Chennai-based Raj Petro Specialities has launched ONWO, a speciality lubricant to cater to the food, pharmaceutical, chemical and heavy engineering industries. The ONWO range of speciality products would include food grade, performance greases and oils, maintenance products and specialities. Designed to offer effective solutions to the problems of lubrication and maintenance needs of industry, ONWO products withstand extremes of temperatures, high shock loading, vibrations and high speed under dusty, wet, saturated and chemically corrosive environment. — **Our Bureau**
