

TECHNICAL SEMINAR BY RAJ LUBRICANTS

Jamshedpur

On the occasion of the Technical Seminar organised by Raj Lubricants (Madras) Ltd., Mr. Rajat Bhattacharya, Area Sales Manager (Industrial) of the Company said that the 40 year old company is a dedicated supplier of lubricants and its products are well established in India. It has started its activities recently in Jamshedpur and the initial response has been overwhelming. Sales in this Steel city have recorded a 20 percent increase. He further added that the Company's products are being distributed in Jamshedpur by M/S Superchem Industries. The company's lubricants are in use by TISCO, TELCO, RSB International and other renowned companies. Shri Bhattacharya mentioned that Raj is a leading supplier of transformer oil and maintains very high standards of product quality. He expected the sales of the company's products to increase progressively in the future. Presentations were made at the seminar by Viren Nanavati, Dr. Bhatia, Shri Mahanti, Ratnesh Lal and Rajat Bhattacharya.
